

A regional event for Awana, where children in 3rd grade and up, from various Awana clubs, meet to see how well they have learned their Scripture verses and Awana material.

Children in 3rd grade and higher are able to create a racer from a car kit to race against each other. The Cubbies and Sparks will be racing in the Grand Race. Once again we will have the Parents Race.

Our Worldwide Adopt-a-Club is just one way that Awana participates in missions. Our Adopt-a-Club allows our children to help children in other countries have an Awana program.

August 27, 2008
to May 27, 2009

Our weekly children's program is designed to give boys and girls, K3 through 6th Grade, the opportunity to build lasting friendships, establish positive role models, and provide practical life lessons in a safe and fun Christian environment.

A regular Awana meeting is divided into three parts:

Handbook Time

Handbook time provides a child with the opportunity to develop relationships in a small group while working together on memorizing Scripture.

Game Time

Game time will give a child the chance to play fun games while learning teamwork, leadership, and communication skills.

Council Time

Council time is designed to offer children practical lessons in Christian living.
